## **PRESS RELEASE**

Phostech has filed an appeal of the decision of the Federal Court of Canada in the litigation between Valence Technology Inc. and Phostech Lithium Inc. (Court number T-219-07) with the Federal Court of Appeal.

In this respect Phostech presented to the Federal Court of Appeal a Motion to Stay the Order made by the Federal Court, until final judgement by the Federal Court of Appeal, which was granted and came into effect on March 22<sup>nd</sup>.

Subsequently Phostech has resumed the production and sale of P1 grade material.

Phostech Lithium Inc.

Montréal/Canada, 23 March 2011
